BIOGRAPHY

Izzy Rocks is an Alternative Rock band from sunny Singapore. With the sound of grunge and brit-rock at heart, Izzy Rocks music captured the sounds that was prominent during those era.

The band is consist of Izzy (Bass & Vocals), Yan Antonio (Guitars) and Deen Shah (Drums).

The 3 piece act was formed after the release of Metamorphosis on 2017, where founder Izzy did a solo act out of Izzy Rocks.

Releases

Indesicive Ways (Single) - Nov 2018

Metamorphosis (EP) - Apr 2017

It later evolved to become a band back in December 2017 with Yan Antoni and then drummer Su Her Wan. Deen Shah came in on September 2018 as a replacement for the latter and this has been the band's lineup ever since.

The music of Izzy Rocks evolves the sound of grunge and Alternative music back in 90s with a twist of brit vibe vocals. A total opposite genres back in the day has been mashed up, mixed upon to a totally new flavour in Izzy Rocks.
